If you have not followed this course sequence, you may not be able to finish within the suggested timeframe.

Remember that you have a proposal and a report to submit for each work term. See the Guidelines document available on Doc-Depot for specific requirements.

Registration is possible using the Rabaska tool available through a student's uoZone account (www.uoZone.uOttawa.ca). Not all courses are offered every session; students must consult www.timetable.uOttawa.ca to verify in which session courses are offered. All prerequisites must be successfully completed before registration to a course. It is the students' responsibility to consult Rabaska regularly to confirm their registration.

Students who do not obtain the minimum grade in a compulsory course taken for the first time must repeat the course successfully; otherwise they must withdraw from the Telfer School of Management. Students must consult www.uOttawa.ca/welcome.html (select Quick Picks and then Undergraduate Programs) to be informed of all University of Ottawa and Telfer School of Management rules and regulations. It is the students' responsibility to satisfy the requirements of their program in order to graduate.
